REQUEST FOR CORRECTION OF FILING RECEIPT

Applicants hereby request that the filing receipt data of the above-identified U.S. patent application as listed on the records of the Patent and Trademark Office be corrected.

Submitted herewith is a copy of the first page of the Updated Filing Receipt indicating in red that the

Serial No. 09/818,969

second inventor's residence address should be corrected as follows:

After "Ueda," , delete "Osaka," and insert
--Kishiwada-Shi,--.

Enclosed is a copy of the Declaration and Power of Attorney filed with the Completion of Application on May 10, 2001, indicating on page 7 the correct residence address of the second inventor.

The Declaration shows the residential address of Mr. Ueda to be Kishiwada-Shi, Osaka, Japan. Thus, the city of residence is "Kishiwada-Shi", while the prefecture of residence is "Osaka".

MPEP 605.02 indicates that the residential address should be "the city and either state or foreign country". Thus, if the Filing Receipt is to be less than that which is recited in the Declaration, it should at least correctly identify the city and country.

Accordingly, it is respectfully requested that the second inventor's residence address concerning the present application be corrected.

It is believed that no fee is incurred by this filing. However, if it should be determined that a fee is required, please charge any fees (other than an issue

Serial No. 09/818,969

fee) required during the pendency of this application to
Sidley Austin Brown & Wood's Deposit Account No.18-1260.
Please credit any overpayment to Deposit Account No. 18-
1260.

Respectfully submitted,

By: James W. Williams
